CHILDREN'S CLASSES

ART

16FCAR-1-3 ROBERT GARDEN'S OIL PAINTING CLASSES (5-12 years)

These classes are always a favorite! This fall, three new scenes will be featured for students to paint and add to their art collections or present as gifts to friends or relatives. Students will enjoy step by step instructions as they complete a painting in one afternoon. Register for one class, or all three! Supplies are provided. Bring a roll of paper towels, and wear a t-shirt to protect clothing. Max: 25 per class

Instructor: Robert or Susan Garden

Meets: **16FCAR-1 DESTIN'S EMERALD BEACH**

Thurs. Sept. 22 4:00-5:30 p.m.

16FCAR-2 ASPEN ROAD AT TRAIL RIDGE

Thurs. Oct. 27 4:00-5:30 p.m.

16FCAR-3 SNOWMAN IN CENTRAL PARK

Thurs. Dec. 8 4:00-5:30 p.m.

Location: Hyer Elementary School, art room (109)

Tuition: \$30 per class, plus \$15 supply fee paid directly to instructor

16FCAR-4 DRAWING AND SKETCHING (2nd-6th grade)

Does your child love to draw? Drawing and sketching are fundamental art skills students will learn about in this fun and valuable class. Young, aspiring artists will learn to draw from life, work on proportion and shading, learn about one and two point perspective, and complete a final project. A sketchbook and supplies are provided. Max: 14

Instructor: Elizabeth Coerver

Meets: *Tues. Oct. 11- Nov. 15 (6 sessions) 4:00-5:30 p.m.*

Location: Hyer Elementary School, art room (109)

Tuition: \$175 plus \$20 supply fee paid directly to instructor

16FCAR-5 PAINTING CERAMICS (2nd grade & up)

Come and paint ceramic treasures each week! With items already made from molds, and fired once, learn painting tips and tricks, and paint a special plate, a small box, and multiple holiday ornaments! Your creations will be glazed and fired again, and you will have handcrafted pieces that are great for special gifts! Max: 10

Instructor: Elizabeth Tamlyn

Meets: *Mon. Oct. 24-Nov. 14 (3 sessions, no class Oct. 31) 4:00-5:00 p.m.*

Location: Hyer Elementary School, art room (109)

Tuition: \$90, plus \$25 supply fee paid directly to instructor

16FCAR-6 JOLLY GOOD CRAFTS (K-4th grade)

Let's get ready for the holidays! Design glass, foam, bead, plaster, and plastic ornaments, make greeting cards, wrap presents you bring, make placemats, window clings, a stocking, a T-shirt, and more! Max: 8

Instructor: Kay Kyle

Meets: *Mon. Nov. 21-Dec. 12 (4 sessions) 4:00-5:30 p.m.*

Location: Armstrong Elementary School, art room (201)

Tuition: \$120, plus \$15 supply fee paid directly to instructor

ASTRONOMY

16FCAS-1 STAR BRIGHT, STAR NIGHT (5 years-adult)

Visit one of HPISD's shining stars – the SCIdome digital Pierce Planetarium at Highland Park High School! Families and individuals will enjoy this informative and entertaining class. Gather under the clear skies of the planetarium to learn about planets, moons, stars, telescopes, and current astronomical events! Children must be enrolled with a parent.

Instructor: Donna Pierce
Meets: Wed. Oct. 12-26 (3 sessions) 6:30-8:00 p.m.
Location: Highland Park High School, Pierce Planetarium, room B104
(enter through double doors on Douglas at Emerson)
Tuition: \$70, plus \$20 for each additional family member

BABYSITTER TRAINING

16FCB-1 BE THE BEST BABYSITTER IN TOWN (11 years & up)

Is your son or daughter interested in babysitting for neighbors and friends? This American Red Cross class offers training in child care and first aid. Students will gain confidence to make smart decisions and stay safe in babysitting situations. Hands on activities, videos, interactive games, and discussions make this course fast paced and fun. This class does not include CPR training. Bring a lunch and a drink. Max: 15

Instructor: Williams CPR and First Aid
Meets: Sat. Oct. 22 9:00 a.m.-3:30 p.m.
Location: Hyer Elementary School, music room
Tuition: \$135

BATON TWIRLING AND TUMBLING

16FCBT-1 TWIRL AND TUMBLE (5 years & up)

Have you seen the awesome twirlers at the HPHS football games? Don't miss this opportunity to learn the sport of baton twirling and the gracefulness of tumbling from the baton twirling champion and trained gymnast who has been the coach for HPHS and SMU twirlers! Students will strengthen athletic skills with rhythm, poise, and coordination while developing a performance personality. Max: 12

Instructor: Sheila Payne Rigelsky
Meets: Wed. Oct. 26-Nov. 16 (4 sessions) 5:15-6:00 p.m.
Location: Hyer Elementary School, gym
Tuition: \$70

CHESS

Introduce your youngster to the game of chess, an interest that will last a lifetime! Taught by qualified instructors, committed to teaching chess to children, the format provides 30 minutes of lessons, and 30 minutes of playing time against peers. This class is offered at Armstrong on Mondays and Bradfield on Thursdays. Register for the day and location you prefer. Boards and pieces are provided. Spaces are limited, so sign up early! Max: 25 per class

16FCC-1 BEGINNING CHESS – ARMSTRONG (K-4th grade)

Instructor: USA Chess
Meets: Mon. Oct. 3-Dec. 12 (10 sessions, no class Oct. 10) 4:00-5:00 p.m.
Location: Armstrong Elementary, cafeteria
Tuition: \$205

16FCC-2 BEGINNING CHESS – BRADFIELD (K-4th grade)

Instructor: USA Chess
Meets: Thurs. Sept. 29-Dec. 8 (10 sessions, no class Nov. 24) 4:00-5:00 p.m.
Location: Bradfield Elementary, library
Tuition: \$205

CPR/AED/FIRSTAID TRAINING

16FCPR-1 AMERICAN RED CROSS CPR TRAINING (11 years & up)

Would you know what to do in an emergency? Simulation Learning is an engaging, award winning online experience that places participants in the middle of the action to make decisions and provide care during emergencies. After completing the SIM training at home, on their own computers, students will attend an instructor led class session for two hours which will emphasize hands-on learning for first aid, breathing emergencies, CPR, and using an AED. Great for workplace groups, scout troops, and individuals. Max: 15

Instructor: Williams CPR and First Aid
Meets: Sat. Nov. 5 9:00-11:00 a.m. (online class must be completed by Nov. 3)
Location: Hyer Elementary, music room
Tuition: \$95

DRAMA

16FCD-1 DIVE INTO DRAMA WITH CAPERS FOR KIDS! (K-2nd grade)

Have fantastic fun acting out wonderful stories, and creating tales of adventure, mystery, and fantasy! Students will build confidence, and feel safe experimenting with new ideas as they gain an understanding of theatre, and learn to work as a team, sequence a plot, and gain empathy for others by “trying on” different characters and situations. Shows are presented on the last day of class, just for the fun of it! Min: 7 Max: 14

Instructor: Capers for Kids
Meets: Mon. Oct. 3-Dec. 12 (10 sessions, no class Oct. 10) 3:45-4:45 p.m.
Location: Hyer Elementary School, auditorium
Tuition: \$215

16FCD-2 ACTING AND IMPROV! (3rd-6th grade)

If you like thinking on your feet and acting, this class is for you! Build acting skills and confidence as you develop different styles of improvisation, characterization, and story creation. Craft hilarious characters, build a plot, mix in a healthy dose of comedy, and you are ready with a fun-filled performance for family and friends. Let's put on a show! Min: 7 Max: 14

Instructor: Capers for Kids
Meets: Mon. Oct. 3-Dec. 12 (10 sessions, no class Oct. 10) 5:00-6:00 p.m.
Location: Hyer Elementary School, auditorium
Tuition: \$215

ETIQUETTE

16FCE-1 GOOD MANNERS AND ETIQUETTE (7-11 years)

Register early for this enjoyable and popular class, and see improvement in your child's manners in time for the holidays! Students will learn the basics of etiquette including making introductions correctly, answering the phone politely, taking efficient messages, and writing thank-you notes. They will have fun practicing table manners and setting a table. Max: 12

Instructor: Margaret Rogers
Meets: Section A: Wed. Oct. 12 and 19 (2 sessions) 4:00-5:30 p.m.
Section B: Wed. Nov. 9 and 16 (2 sessions) 4:00-5:30 p.m.
Location: Hyer Elementary School, art room (109)
Tuition: \$60

KARATE

16FCK-1 KARATE FOR KIDS (6-11 years)

This fun packed series incorporates a program of martial arts and character development, “3 Steps to a Great Kid”. An expert instructor will introduce beginning students to the martial arts, and those with previous experience will polish and expand their skills. Activities include kicking, striking, blocking drills, self-defense techniques, martial arts history, and child personal safety. Optional karate uniform may be purchased from the instructor. Min: 10 Max: 20

Instructor: Chamberlain Studios of Self Defense
Meets: Wed. Oct. 5-Dec. 14 (10 sessions, no class Nov. 23) 4:30-5:30 p.m.
Location: Hyer Elementary School, gym
Tuition: \$185, plus \$35 uniform fee paid directly to instructor

SCIENCE

16FCSC-1 NEWTON’S TOYBOX (K-4th grade)

Have you wondered why some toys work the way they do? Come explore Newton’s Toybox! Experiment with favorite toys such as parachute men, Hot Wheels® cars, and the classic Ball in Cup game to learn about Newton’s laws of motion. Learn that forces are pushes and pulls, and that the biggest force on earth is gravity. Plenty of exciting challenges and fun teambuilding activities will allow students to investigate how forces act on a variety of objects. Gain the knowledge of how laws of motion govern our everyday lives! Min: 8 Max: 30

Instructor: Club Scientific
Meets: Wed. Oct. 5-26 (4 sessions) 4:00-5:00 p.m.
Location: Hyer Elementary School, science lab
Tuition: \$95

16FCSC-2 TERRIFIC SCIENTIFIC (K-4th grade)

This session is full of really exciting experiments for budding scientists! Students will practice thinking like scientists as they learn how to jump through a piece of paper – without tearing or ripping it! They will also learn about the science behind cool magic tricks, using polymers, and learn to make their own quicksand! Each week the schedule is packed with the coolest experiments. So, put on those goggles, and start experimenting! Min: 8 Max: 30

Instructor: Club Scientific
Meets: Wed. Nov. 2-30 (4 sessions, no class Nov. 23) 4:00-5:00 p.m.
Location: Hyer Elementary School, science lab
Tuition: \$95

SPANISH

In these exciting classes, Todo Sobre Nosotros, or, All About Us, students will learn about themselves and the world around them 100% en español taught by a native Spanish speaker. Vocabulary and phrases related to school, family, and students' everyday lives will be covered through a conversation-focused curriculum. Students will practice speaking and listening skills in a dynamic environment utilizing interactive projects and games. Min: 6 Max: 12

16FCSP-1 TODO SOBRE NOSOTROS – ARMSTRONG (3rd & 4th grade)

Instructor: Spanish House Spanish Immersion School
Meets: Thurs. Oct. 6-Dec. 1 (8 sessions, no class Nov. 24) 3:30-4:30 p.m.
Location: Armstrong Elementary School, room 219
Tuition: \$145

16FCSP-2 TODO SOBRE NOSOTROS – BRADFIELD (3rd & 4th grade)

Instructor: Spanish House Spanish Immersion School
Meets: Wed. Oct. 5-Nov. 30 (8 sessions, no class Nov. 23) 3:20-4:20 p.m.
Location: Bradfield Elementary School, room 200
Tuition: \$145

16FCSP-3 TODO SOBRE NOSOTROS – HYER (3rd & 4th grade)

Instructor: Spanish House Spanish Immersion School
Meets: Tues. Oct. 4-Nov. 29 (8 sessions, no class Nov. 22) 3:30-4:30 p.m.
Location: Hyer Elementary School, music room
Tuition: \$145

16FCSP-4 TODO SOBRE NOSOTROS – UNIVERSITY PARK (3rd & 4th grade)

Instructor: Spanish House Spanish Immersion School
Meets: Mon. Oct. 3-Nov. 28 (8 sessions, no class Oct. 10) 3:20-4:20 p.m.
Location: University Park Elementary School, room 112
Tuition: \$145

STUDY SKILLS

16FCSS-1 STUDY SKILLS FOR MIDDLE SCHOOLERS (6th-8th grade)

Study skills sessions will provide students an opportunity to learn and develop executive functioning skills, time management, study strategies, and test taking skills. Each student will leave with more knowledge and a binder full of materials on organization, time management, study skills, test taking tips, and learning styles. Max: 15

Instructor: Katie Haines
Meets: Tues. Oct. 11-Nov. 1 (4 sessions) 4:00-5:00 p.m.
Location: Highland Park Middle School, room C103
(enter through the security entrance by the south gym)
Tuition: \$80

16FCSS-2 EXAM PREP FOR FINAL EXAMS (7th & 8th grades)

Students will learn effective strategies to prepare for fall semester final exams in this worthwhile class. Middle school students will be equipped to finish the semester strong by learning organizational skills, study tips, test-taking strategies, and creating a study plan/calendar to hold them accountable for their test preparation. Max: 15

Instructor: Katie Haines
Meets: Tues. Nov. 8-Dec. 6 (4 sessions, no class Nov. 22) 4:00-5:00 p.m.
Location: Highland Park Middle School, room C103
(enter through the security entrance by the south gym)
Tuition: \$80

TECHNOLOGY

16FCT-1 MINECRAFT CIRCUIT DESIGN (3rd grade & up)

Learn a fundamental part of physics in a fun and creative way! Inside the Minecraft game, there is a block called Redstone that allows you to design and create machines from basic traps and cannons to a working calculator using logic gates! Design and plan machines on paper, learning conventional circuit notation, and finish by implementing the designs inside the world of Minecraft! What will you build? Max: 11

Instructor: High Tech Kids
Meets: Mon. Oct. 3-Nov. 7 (4 sessions, no class Oct. 10 & 31) 4:00-6:00 p.m.
Location: Hyer Elementary School, computer lab
Tuition: \$150

16FCT-2 BATTLE-BOTS (K & up)

Enter the Battle-Bots' tournament and determine the number one Robot Engineer! At the Junkyard Academy, learn how to build your own Battle-Bot with RCX Lego Robotics. After that, prepare to learn tactics and theories to give you an edge. Finally, enter the arena with your Robotic Monster! Max: 16

Instructor: High Tech Kids
Meets: Tues. Oct. 4-25 (4 sessions) 4:00-6:00 p.m.
Location: Hyer Elementary School, music room
Tuition: \$150

16FCT-3 GAME DESIGN I (2nd grade & up)

Love video games? Now you can learn how to make your very own video game and play it on your own PC! From designing levels and creating characters to programming movements and control, you will learn the entire process of making your own custom video game! Max: 11

Instructor: 8-Bit Education
Meets: Thurs. Oct. 6-27 (4 sessions) 4:00-6:00 p.m.
Location: Hyer Elementary School, computer lab
Tuition: \$150

16FCT-4 GAME DESIGN II (2nd grade & up)

Get ready to move to the next level with Game Design II! Dive into the software to create complex environments, adversaries, and situations using alterable variables. Learn more about level design and game theory to add that professional polish to your game world. Max: 11

Instructor: 8-Bit Education
Meets: Thurs. Nov. 3-Dec. 1 (4 sessions, no class Nov. 24) 4:00-6:00 p.m.
Location: Hyer Elementary School, computer lab
Tuition: \$150

16FCT-5 BEGINNER DESIGN AND PROGRAMMING (K & 1st)

In this introduction to coding and game building, students will utilize Tynker, a user-friendly curriculum and platform that teaches kids programming through games, puzzles, tutorials, and projects. Make almost anything with the power of Tynker and its physics engine, expansive media gallery and art studio. Command robots, make web apps, build custom games, the possibilities are endless! iPads provided Max: 10

Instructor: High Tech Kids
Meets: Tues. Nov. 1-29 (4 sessions, no class Nov. 22) 4:00-6:00 p.m.
Location: Hyer Elementary School, computer lab
Tuition: \$150

16FCT-6 MINECRAFT 3D Design (3rd grade & up)

In the world of Minecraft the sky is the limit! Using Minecraft Edu and a specialized set of mods, learn the principles of 3D design. Tour architectural wonders recreated in Minecraft, then plan and build your own wonder. With dozens of new blocks, learn about making a good design, how to plan a build, and use math, geometry, and creative thinking to troubleshoot designs. Max: 11

Instructor: High Tech Kids
Meets: Mon. Nov. 14-Dec 5 (4 sessions) 4:00-6:00 p.m.
Location: Hyer Elementary School, computer lab
Tuition: \$150

16FCT-7 KEYBOARD MASTERY (5th-8th grades)

Proficiency in keyboarding skills has become increasingly important for success in school and in a career. In this class, students will learn proper keyboarding technique with speed and accuracy using specialized software that engages them in a fun and interesting way. A trained instructor will lead students through the process of developing their fine-motor, visual-motor, and visual spatial abilities.

Instructor: High Tech Kids
Meets: Wed. Oct. 26-Nov. 16 (4 sessions) 4:00-6:00
Location: Hyer Elementary School, computer lab
Tuition: \$150

ADULT CLASSES

ART

16FAR-1-3 ROBERT GARDEN'S OIL PAINTING CLASSES

These classes are always a favorite! This fall, three new scenes are featured for students to paint and add to their art collections. Students will enjoy step by step instructions as they complete a painting in one evening. Beginners are welcome! Register for one class, or all three! Supplies are provided. Bring a roll of paper towels, and wear a t-shirt to protect clothing. Max: 25 per class

Instructor: Robert or Susan Garden
Meets: **16FAR-1 DESTIN'S EMERALD BEACH**
Thurs. Sept. 22 6:30-9:00 p.m.
16FAR-2 ASPEN ROAD AT TRAIL RIDGE
Thurs. Oct. 27 6:30-9:00 p.m.
16FAR-3 SNOWMAN IN CENTRAL PARK
Thurs. Dec. 8 6:30-9:00 p.m.
Location: Hyer Elementary School, art room (109)
Tuition: \$45 per class, plus \$20 supply fee paid directly to instructor

16FAR-4 HP POTTERY

Join our talented Highland Park High School ceramics teacher to learn about hand-building foundations (pinch, coil, and slab), as well as how to throw on the pottery wheel! Learn the basics, then create bowls, cups, vases, sculptural work, or anything you wish under the direction of our expert instructor. Glazing and other finishing techniques will be discussed and utilized. Don't miss this opportunity to explore the wonderful art form of clay! Max: 11

Instructor: Heather Smith
Meets: Thurs. Oct. 13-Nov. 3 (4 sessions) 6:30-8:30 p.m.
Location: Highland Park High School, room WC118
Tuition: \$175, plus \$75 supply fee paid directly to instructor

ASTRONOMY

16FCAS-1 STAR BRIGHT, STAR NIGHT (5 years-adult)

Visit one of HPISD's shining stars – the SCIdome digital Pierce Planetarium at Highland Park High School! Families and individuals will enjoy this informative and entertaining class. Gather under the clear skies of the planetarium for three evenings to learn about planets, moons, stars, telescopes, and current astronomical events! Children must be enrolled with a parent.

Instructor: Donna Pierce
Meets: Wed. Oct. 12-26 (3 sessions) 6:30-8:00 p.m.
Location: Highland Park High School, Pierce Planetarium, room B104
(enter through double doors on Douglas at Emerson)
Tuition: \$70, plus \$20 for each additional family member

BALLROOM DANCING

16FDA-1 BEGINNING SOCIAL BALLROOM DANCING

Beginners, and anyone who would like to have improved dancing skills, will enjoy this popular class. Emphasis will be on the basic ballroom dances: fox trot, waltz/rumba, and swing/cha-cha. Technique, timing, rhythm, and partnership will be covered. Join the fun! Wear comfortable shoes and clothing. No partner required. Max: 30

Instructor: Belinda Hockett
Meets: Tues. Oct. 11-Nov. 15 (6 sessions) 8:15-9:00 p.m.
Location: Hyer Elementary School, cafeteria
Tuition: \$105

16FDA-2 INTERMEDIATE SOCIAL BALLROOM DANCING

If you have previously taken ballroom dancing lessons and are comfortable with the basics, you are ready to further develop your dancing skills. Join others in this fun class to polish your dance moves, learn new steps, and improve your technique, timing, rhythm, and partnership. Max: 30

Instructor: Belinda Hockett
Meets: Tues. Oct. 11-Nov. 15 (6 sessions) 7:15-8:00 p.m.
Location: Hyer Elementary School, cafeteria
Tuition: \$105

BRIDGE

16FBR-1 BRIDGE FOR BEGINNERS

Learn the basics of bidding and playing bridge, and have fun from the very first class! You will be very comfortable whether you are a beginner, currently play but have not had lessons, or played years ago and want to learn modern bidding and brush up on your skills. **WARNING: many people who learn to play bridge just can't stop!** Min: 8 Max: 16

Instructor: Jack Schober
Meets: Tues. Sept. 27-Nov. 15 (8 sessions) 6:30-9:00 p.m.
Location: Hyer Elementary School, music room
Tuition: \$210, plus \$12 supply fee (book) paid directly to instructor

16FBR-2 BRIDGE FOR INTERMEDIATE PLAYERS

Following up on "Bridge for Beginners", this class introduces the most popular and useful bidding conventions that today's players use: the Stayman convention, Jacoby transfers, the 2-Club opening to show a blockbuster hand, and slam bidding. Everyone who knows the basics of Declarer's play and Defense will gain new tools for successful play. Min: 8 Max: 16

Instructor: Jack Schober
Meets: Mon. Sept. 26-Nov. 21 (8 sessions, no class Oct. 10) 6:30-9:00 p.m.
Location: Hyer Elementary School, music room
Tuition: \$210, plus \$12 supply fee (book) paid directly to instructor

CPR/AED/FIRSTAID TRAINING

16FCPR-1 AMERICAN RED CROSS CPR TRAINING (11 years & up)

Would you know what to do in an emergency? Simulation Learning is an engaging, award winning online experience that places participants in the middle of the action to make decisions and provide care during emergencies. After completing the SIM training at home, on their own computers, students will attend an instructor led class session for 1.5 hours which will emphasize hands-on learning for first aid, breathing emergencies, CPR, and using an AED. Max: 15

Instructor: Williams CPR and First Aid
Meets: Sat. Nov. 5 9:00-11:00 a.m. (online class must be completed prior to Nov. 3)
Location: Hyer Elementary, music room
Tuition: \$135

KNITTING

16FK-1 KNITTING 101

If you have never held a pair of knitting needles, or, if you just need to refresh your skills, this class will take you from beginner to knitter! Learn to cast on and cast off, complete the knit and purl stitches, read patterns, fix your mistakes, and neatly weave in ends while knitting simple projects to practice your techniques. Then, you will begin a project of your choice. Max: 6

Instructor: Jamie Carrillo
Meets: Wed. Oct. 5-Nov. 16 (6 sessions, no class Oct. 26) 6:30-8:00 p.m.
Location: Hyer Elementary School, room C-3
Tuition: \$180 per person, plus \$20 supply fee

RESIDENTIAL CONSTRUCTION

16FRC-1 A CONSUMER'S GUIDE TO RESIDENTIAL CONSTRUCTION

Building a new home, remodeling, or looking for knowledge about the biggest investment you may ever make? Learn from a professional expert, whose projects have been featured on HGTV, everything you need to know about construction basics, and become informed and confident! Topics include hiring a general contractor, being your own contractor, giving your home an energy audit, up-to-date information on green technology, and much, much more. Max: 20

Instructor: Tom Black
Meets: Thurs. Oct. 20-Nov. 10 (4 sessions) 6:30-8:00 p.m.
Location: Hyer Elementary School, music room
Tuition: \$115

SELF DEFENSE

16FSD-1 SELF DEFENSE TRAINING FOR WOMEN (teens & adults)

Take this class with your daughters, mothers, and friends! Self defense is a set of awareness, assertiveness, and verbal confrontation skills which, along with safety strategies and physical techniques, enable you to prevent, escape, resist, and survive violent assaults. Women can resist assault attempts! Learn, from an expert instructor, how to disable an assailant. Be proactive about violence prevention, deal with your fears, and be empowered! Min: 10 Max: 20

Instructor: Chamberlain Studios of Self Defense
Meets: Wed. Oct. 26 6:00-8:00 p.m.
Location: Hyer Elementary School, gym
Tuition: \$50

TECHNOLOGY

16FT-1 DISCOVER YOUR iPad

Come and learn about operating systems, built-in apps, iCloud, the App Store, and more. The iPad will become your new favorite way to do just about everything! Max: 12

Instructor: Norma Olson
Meets: Tues. Oct. 18 6:30-8:30 p.m.
Location: Hyer Elementary School, computer lab
Tuition: \$45

16FT-2 GOOGLE CHROME

Google Chrome is a free internet browser from Google that is quickly becoming the most popular web browser around the world. In this class, we will discuss the features of Chrome, how to download and install to your computer, and how to create and sign in to a Google account of your own. We will also touch on adding favorites, creating apps, and ease of navigation. Max: 11

Instructor: Norma Olson
Meets: Tues. Nov. 8 6:30-8:30 p.m.
Location: Hyer Elementary School, computer lab
Tuition: \$45

16FT-3 GOOGLE DRIVE

Google Drive, previously known as Google Docs, is a very convenient and effective way to create and share documents online. In this class, we will discuss the fundamentals of Google Drive, such as, how to create a document, spreadsheet, presentation, and forms. We will review saving, sharing, and co-writing. Max: 11

Instructor: Norma Olson
Meets: Thurs. Dec. 1 6:30-8:30 p.m.
Location: Hyer Elementary School, computer lab
Tuition: \$45

16FT-4 EXCEL I

Microsoft Excel is a powerful tool, and mastering it will improve your performance at work and home. Learn the basics of working with spreadsheets, navigating the Office ribbon, and explore the features of Excel. This workshop will cover entering data and formulas, moving and copying data, formatting, and print previewing worksheets. Prerequisites: Basic computer knowledge and proficient use of the mouse and keyboard. Max: 11

Instructor: High Tech Kids
Meets: Wed. Nov. 2 7:00-9:00 p.m.
Location: Highland Park High School, room SC202
Tuition: \$50

16FT-5 EXCEL II

Expand your knowledge of Microsoft Excel. This class will cover working with formulas and calculations. Additional topics include using view options, conditional formatting, and pivot tables. Prerequisite: Basic computer knowledge and proficient use of the mouse and keyboard and knowledge of the topics covered in Excel I. Max: 11

Instructor: High Tech Kids
Meets: Wed. Nov. 9 7:00-9:00 p.m.
Location: Highland Park High School, room SC202
Tuition: \$50

COMMUNITY EDUCATION CLASS GUIDELINES

You will not receive confirmation of your registration. Classes with insufficient enrollment will be cancelled two working days before the class date, and tuition will be refunded, or a credit issued for a future class. ALL reserves the right to substitute instructors, change class location, or cancel classes. Students may cancel enrollment seven working days before the class's first meeting, and receive a refund. Refunds will not be given, and make-up classes will not be scheduled, for classes cancelled due to emergencies or inclement weather.

EXTENDED SCHOOL DAY PROGRAM INFORMATION

ALL's Extended School Day Program is an informal school experience from 3:00 to 6:00 p.m. on regular school days for families needing supervised care for their children after school. ESD is available for K-4th grade students at HPISD elementary schools, and 5th-8th grade at MIS/HPMS. ESD students are supervised by HPISD teachers and employees. Homework time and indoor and outdoor play are provided. Nutritious snacks are served daily. Please call the ALL office at 214-780-3380 to inquire about enrollment.
