**SUMMER CAMPS AND CLASSES  
FOR CHILDREN OF ALL AGES**

**REGISTER EARLY – CLASSES FILL QUICKLY!**

Welcome to HPISD's Academy for Lifelong Learning's summer program – "Inspire and Enrich – 2017". Summer classes offer students an opportunity to have fun while learning in a creative, inspiring, and stimulating environment. These classes will expand your child's mental and physical abilities. Enroll by May 15 and take advantage of our early enrollment discounts. Early registration is recommended, as classes fill quickly. Plan an inspiring and enriching summer with HPISD!

## Highland Park Independent School District The Academy For Lifelong Learning

### STAFF

**Jan Doggett**

*ALL Program Coordinator*

**Cha-Cha Bjork**

*Extended School Day Program*

### ALL OFFICE LOCATION

HPISD Administration Annex

6915 Westchester, Dallas, Texas 75205 214-780-3380 Fax: 214-780-3381

### OFFICE HOURS

8:00 a.m. to 4:00 p.m.

### SUMMER PROGRAM LOCATION

Bradfield Elementary School, 4300 Southern Avenue, Dallas, Texas 75205

or, if noted,

MIS-HPMS, 3555 Granada Drive, Dallas, Texas 75205

Classroom numbers at Bradfield will be posted on the first day of each class.

Please enter the front door of Bradfield, on Southern Avenue, to escort students to classes and sign them in with their instructors. Students must be signed out daily by parents at the end of classes.

## ARTS AND CRAFTS

### 17SA-1 DRAWING AND SKETCHING I (2nd grade and up)

Sharpen your drawing skills and expand your knowledge of the basic fundamentals of drawing and sketching. Young artists will continue to learn from life as they are taught how to apply proportion and shading to one and two point perspective. In addition, they will learn about techniques used in creating artwork with colored pencils and dry pastels. A sketchbook and supplies are provided. Max: 14

*Instructor:* Elizabeth Coerver  
*Meets:* M-F June 5-9 1-4 p.m.  
*Tuition:* \$190 by May 15, \$205 after May 15  
(\$20 supply fee paid directly to instructor)

### 17SA-2 ADVENTURES IN ART CAMP (5-13 years)

This fun filled art camp is back by popular demand with professional award winning artists teaching fine art and creative thinking! Through an all new curriculum, young artists will create two amazing works of art each day that you will be proud to frame and display. Young artists will learn perspective drawing using charcoal, pencil, and oil pastels. They will create paintings on canvas in oils, watercolors, and acrylics using color theory and simple techniques to paint realistic landscapes, still life, animals, and seascapes. Register for both sessions and complete 20 different pieces of art! Supplies are furnished. Bring paper towels and wear an old t-shirt. Min: 8 Max: 25

*Instructor:* Robert Garden School of Art instructor  
*Meets:* Session A: M-F June 12-16 9-11:45 a.m.  
Session B: M-F June 19-23 9-11:45 a.m.  
*Tuition:* Session A, \$200 by May 15, \$215 after May 15  
Session B, \$200 by May 15, \$215 after May 15

### 17SA-3 CRAFTS GALORE! (K-4th grade)

Have fun in this class painting rocks, a trinket box, and picture frames. Make jumping frogs, fortune tellers, and dollar bill rings. Design friendship bracelets, milk jug tossers, and fluff balls. Make key chains, playdoh, and much more. There will be a brief time for game playing, and you will make ice cream in a sack – fun and delicious! Max: 8

*Instructor:* Kay Kyle  
*Meets:* M-F June 19-23 1-4 p.m.  
*Tuition:* \$190 by May 20, \$205 after May 20  
(\$20 supply fee paid directly to instructor)

## BABYSITTER TRAINING

### 17SBA-1 BE THE BEST BABYSITTER IN TOWN! (11 years & up)

Is your son or daughter interested in babysitting for neighbors and family friends? The American Red Cross Babysitter's Training class offers training in child care and first aid, and pediatric CPR. Students will gain confidence to make smart decisions and stay safe in babysitting situations. Hands-on activities, instructive video, role playing, and discussions, make this class fun and fast paced. A portion of the class must be completed online, at home on your own computer, before the class meets. Bring a lunch and a drink to class. Min: 4 Max: 12

*Instructor:* Williams CPR and First Aid  
*Meets:* F June 16 9 a.m.-3:30 p.m.  
*Tuition:* \$160 by May 15, \$175 after May 15

## CAMP INVENTION

### 17SCI-1 CAMP INVENTION – LAUNCH! (1st-6th grade)

Developed by the National Inventors Hall of Fame, Camp Invention is nationally recognized and offers students an exciting environment with no wrong answers, lots of brain storming, and an opportunity to build confidence, dream, and create their inventions. Under the leadership of Armstrong science teacher, Joan Webb, campers will explore connections between science, technology, engineering, and math concepts and innovation. During this action packed week, students will rotate through fun, challenging thematic modules:

#### **Have a blast**

Participants will apply engineering principles to create a castle and pulley system to raise a castle flag. Using concepts of physics and motion, teams will engineer aerodynamic water rockets.

#### **Duct Tape Billionaire**

As DIY duct tape experts, students will design marketable products, build inventory, learn to take risks and create a start-up business. With their business launched, they will pitch their product to mock investors.

#### **Mission Space Makers**

Campers will terraform a distant new exoplanet, designing inventions to transform its atmosphere, terrain, and ecosystem. They will learn about National Inventors Hall of Fame Inductees and NASA engineers who designed and built telescopes, rockets, and observed planets outside of our solar system.

#### **Operation Keep Out**

After taking apart machines and devices, students will use the parts and pieces to create the ultimate Spy Gadget Alarm Box to keep treasures secure. Participants will discover how to read a note written in invisible ink, use spy glasses to catch a toy thief, and learn how spies and engineers write in secret codes.

Space is limited, register early! Students should bring a lunch and drink (non-refrigerated) each day.

*Instructor:* HPISD instructors  
*Meets:* M-F June 26-30 9 a.m.-3 p.m.  
*Tuition:* \$365 by May 15, \$380 after May 15

## CHESS

### 17SCH-1 USA CHESS CAMP (K-5th grade)

Kids love to play chess! Studies have shown that chess provides children with higher problem-solving abilities. Skills developed through chess include patience, creativity, planning, and sportsmanship. Information will be presented in a fun, exhilarating, and entertaining way. Beginners and experienced chess students are welcome. Max: 20

*Instructor:* USA Chess instructor  
*Meets:* Session A: M-F June 5-9 1-4 p.m.  
Session B: M-F June 19-23 1-4 p.m.  
*Tuition:* Each session is \$300 by May 15, \$315 after May 15

## CREATIVE WRITING

### 17SCR-1 CREATIVE WRITING (K and 1st grade)

There is more to writing than meets the eye! Writing begins with an idea, thought, or even a picture! Using a variety of iPad tools students will get those creative juices flowing to develop ideas and create short stories. These activities will enhance student speaking, vocabulary, and imagination skills that will help them write in their elementary years. Max: 12

*Instructor:* High Tech Kids  
*Meets:* M-F June 12-16 1-4 p.m.  
*Tuition:* \$200 by May 15, \$215 after May 15

## DRAMA

### **17SD-1 JUNGLE JOURNEY (K-2nd grade)**

Join a thrilling expedition in the land of lions, elephants, and baboons! With the tribal princess as your guide, float down the jungle river to the world's largest waterfall. Meet explorers, look for ancient artifacts, learn tribal secrets, and more! Develop acting skills as you explore the amazing jungle and its inhabitants. After you discover the mysteries of the jungle, you can create your own adventure and perform it for family and friends on the last day of camp! Min: 7 Max: 14

*Instructor:* Capers for Kids  
*Meets:* M-F June 5-9 10 a.m.-12 noon  
*Tuition:* \$190 by May 15, \$205 after May 15

### **17SD-2 ACTING AND IMPROV (3rd-6th grade)**

If you like acting and thinking on your feet, this is the camp for you! Work with a professional performer to develop acting and improvisational skills. Build confidence as you learn different styles of improvisation, characterization, and scene creation. Invent hilarious characters, build a plot, mix in a healthy dose of comedy, and you are ready with a fun-filled performance for family and friends. Let the improv begin! Min: 7 Max: 14

*Instructor:* Capers for Kids  
*Meets:* M-F 19-23 1-3 p.m.  
*Tuition:* \$190 by May 15, \$205 after May 15

## ETIQUETTE

### **17SE-1 GOOD MANNERS CAMP (1st-4th grade)**

This is a popular class for youngsters, so register early! Would you like for your child to have the confidence inspired by good manners? Students will learn the basics of etiquette while having fun. Making introductions correctly, leaving efficient messages, and writing thoughtful thank you notes will be addressed. Hands-on presentations will be made on table manners and setting a table. See improvement in your child's social graces! Max: 12

*Instructor:* Margaret Rogers  
*Meets:* M-F June 19-23 9 a.m.-12 noon  
*Tuition:* \$185 by May 15, \$200 after May 15

## FASHION DESIGN

### **17SFD-1 FASHION DESIGNER (8-12 years)**

Students graduate from playing dress up to designing their own fashions using professional design principles. Techniques including basic sketching, coordinating colors, mixing textures and patterns for scale and perception, and fashion history will be applied to each student's individual style and portfolio. Designs come to life with patterned papers, ribbons, sequins, jewels, and other embellishments. "Design team" challenges make this hands-on adventure exciting. No sewing. Max: 20

*Instructor:* Fastforward Kids  
*Meets:* M-F June 12-16 9 a.m.-12 noon  
*Tuition:* \$190 by May 15, \$205 after May 15

## GAMES AND ADVENTURE

### **17SGA-1 ULTIMATE SURVIVAL (8-12 years)**

Wrapped in games and adventure, unique challenges await you! In survival situations, needs like shelter, water, and food become essential. Using basic techniques, students will learn to purify water, signal for help, search for edible food, set up shelter, plus much more! Team survival games will keep the training light and fun! This class is great for kids who like to work and play! Max: 20

*Instructor:* Fastforward Kids  
*Meets:* M-F June 12-16 1-4 p.m.  
*Tuition:* \$190 by May 15, \$205 after May 15

## GRADE READINESS

### **17SGR-1 GETTING READY FOR KINDERGARTEN (must be 5 yrs. before June 1)**

Designed to ease the transition from preschool to kindergarten, this is the perfect class for your incoming kindergartener! Taught by HPISD Kindergarten teachers, Getting Ready for Kindergarten is an introduction to beginning activities and expectations of that first year in school. Number concepts and handwriting are among the skills to be explored. Give your child a head start for kindergarten – enroll early! Max: 10

*Session A* Amy LeBrun, Instructor  
*Meets:* M-F June 5-9 1-4 p.m.  
*Session B* Sally Titmas, Instructor  
*Meets:* M-F June 19-23 9 a.m.-12 noon  
*Tuition:* Each session is \$190 by May 15, \$205 after May 15  
(\$5 supply fee paid directly to instructor)

### **17SGR-2 FOUNDATIONS FOR FIRST GRADE (1st grade)**

Get a head start on first grade and build confidence with former HPISD teacher, Margaret Rogers. The week will be fun and the basics of each subject area, reading and writing, phonics and spelling, and math, will be addressed. This class will cover a little bit of everything we do in first grade. Be ready for first grade! Max: 12

*Instructor:* Margaret Rogers  
*Meets:* M-F June 5-9 9 a.m.-12 noon  
*Tuition:* \$190 by May 15, \$205 after May 15  
(\$5 supply fee paid to instructor)

### **17SGR-3 AIM FOR SUCCESS IN SECOND GRADE (2nd grade)**

Your child will be much more prepared for second grade after taking this class with former HPISD teacher, Margaret Rogers. Students will receive a strong overall review of math, spelling, phonics, writing, and reading, along with information about what to expect in second grade. Max: 10

*Instructor:* Margaret Rogers  
*Meets:* M-F June 12-16 9 a.m.-12 noon  
*Tuition:* \$190 by May 15, \$205 after May 15  
(\$5 supply fee paid to instructor)

## **17SGR-4 FOCUS ON CONFIDENCE AND UNDERSTANDING SKILLS (5th grade)**

This very popular class for incoming MIS fifth graders, taught by MIS teachers, helps students transition to intermediate school. They will use technology such as iPads and Chromebooks to create unique products and learn about their new school and the faculty and staff at MIS. Students will become familiar with the building before school begins, meet students from other elementary schools, learn to use a locker, and brush up on study skills and Google Apps for Education. *To register, contact Cindy Lapp by email at [lappc@bpsd.org](mailto:lappc@bpsd.org). Please note: the ALL office does not take registrations for this class.*

*Instructors: Emily Green, Cindy Lapp, and Laura Reinbart*

*Meets: M-TH August 7-10*

*Session 1: 9-11 a.m.*

*Session 2: 11:30 a.m.-1:30 p.m.*

*Session 3: 2-4 p.m.*

*Location: MIS-HPMS (meet in the foyer of MIS the first day of class)*

*Tuition: Each session is \$150*

## **GYM GAMES**

### **17SGG-1 SIZZLING SUMMERTIME FUN! (K and 1st grade)**

Looking for a great way to start the summer? Join the fun in the Bradfield gym! The mornings will be filled with a variety of games and movement activities that promote self esteem, social skills, and coordination. Let your child run off lots of energy while making new friends!!!  
Min: 10 Max: 15

*Instructor: Carol Brosseau*

*Meets: M-F June 5-9 9:30 a.m.-12 noon*

*Tuition: Each session is \$175 by May 15, \$190 after May 15  
(\$5 supply fee paid directly to instructor)*

### **17SGG-2 SUMMER GYM FUN! (2nd-4th grade)**

Back by popular demand, the best summer entertainment around! Sign up for exciting afternoons in the Bradfield gym. Students will enjoy a variety of fast paced, energy burning, fun games. Register for both weeks to double the fun! Min: 10 Max: 25

*Instructor: Carol Brosseau*

*Meets: Session A: M-F June 5-9 1-4 p.m.*

*Session B: M-F June 19-23 1-4 p.m.*

*Tuition: \$185 by May 15, \$200 after May 15  
(\$5 supply fee paid directly to instructor)*

## **HOT WHEELS**

### **17SH-1 HOT WHEELS WORLD OF DISCOVERY (5-7 years)**

Endless tracks and obstacle courses await Hot Wheels car enthusiasts as they discover the world of physical science. What goes up must come down . . . or does it? Momentum, force, and friction are concepts students will understand as cars acrobatically fly before them. Measuring length and weight in various units will help identify the fastest, most efficient car on the block. Mega Loop Mayhem, Shark Cliff Hanger, Wolf Mountain, and hundreds of cars are some of the play equipment that will have your child yearning to come to class each day! Max: 15

*Instructor: Fastforward Kids*

*Meets: M-F June 12-16 1-4 p.m.*

*Tuition: \$190 by May 15, \$205 after May 15*

## KARATE

### 17SK-1 KARATE FOR KIDS CAMP (6-11 years)

Join a martial arts expert in this fun packed class incorporating a program of martial arts and character development, “3 Steps to a Great Kid”. Students will be introduced to the martial arts, and those with previous experience will polish and expand their skills. Activities include kicking, striking, blocking drills, self-defense techniques, martial arts history, and personal safety. Min: 10 Max: 20

*Instructor:* Chamberlain Studios of Self Defense  
*Meets:* Session A: M-F June 5-9 1-4 p.m.  
Session B: M-F June 19-23 1-4 p.m.  
*Tuition:* \$210 by May 15, \$225 after May 15

## LEGOS

### 17SL-1 LEGO LOGO (7-12 years)

Lego Logo takes children to a creative and engineering environment that will develop them into little technicians! Hands on construction is executed with special and unique Lego Logo kits not found in stores. With a certified educator and detailed technical plans, children will learn to build robots, racecars, four-by-four trucks, cranes, pulleys, levers, and more! Students will participate in an energized week of discovery and creativity and have fun and success expanding skills in math, science and technology in an exploratory, cooperative environment. Max: 20

*Instructor:* Fastforward Kids  
*Meets:* M-F June 12-16 9 a.m.-12 noon  
*Tuition:* \$190 by May 15, \$205 after May 15

## PIANO

### 17SP-1 INTRODUCTION TO PIANO (5-18 years)

Summertime is the perfect time of year to engage your child in piano lessons, one of the finer things in life! This set of piano lessons is designed to see if your child likes playing the piano, is interested in playing a musical instrument, or is musically talented. This summer program has been the beginning of a lifetime of playing the piano for many children!

*Instructor:* Sandy Hall  
*Meets:* M-F June 5-June 23 (9 individually scheduled 45 minute lessons)  
*Tuition:* \$360 by May 15, \$375 after May 15  
(\$20-\$25, based on student's materials, supply fee paid directly to instructor)

## SCIENCE

### 17SSC-1 RED HOT ROBOTS! (6-11 years)

Join a red-hot robot exploration! Discover inner workings of robots, experiment with circuits, sensors, and power supplies. Explore sound sensing, line tracking, and solar power robots. Build your own robot to keep! Min: 12 Max: 20

*Instructor:* Mad Science  
*Meets:* M-F June 5-9 9 a.m.-12 noon  
*Tuition:* \$195 by May 15, \$205 after May 15  
(supply fee of \$25, paid directly to instructor on first day of class)

### **17SSC-2 BUBBLES, SMOKE, EXPLOSIONS! (6-11 years)**

Have fun with chemistry in this exciting camp! Make a crystal garden, synthesize your own slime, learn about our solar system by making a comet with everyday items, and have a shocking time with a Van de Graaff generator by experiencing lightning up close! Min: 12 Max: 20

*Instructor:* Mad Science  
*Meets:* M-F June 12-16 1-4 p.m.  
*Tuition:* \$195 by May 15, \$210 after May 15

### **17SSC-3 NASA – ACADEMY OF SPACE EXPLORERS! (6-11 years)**

Blast off with knowledge of flight! This camp is an exciting study of rockets. Campers build their own rockets and planes, experiment with propulsion systems, and launch and recover rockets! Each day campers create amazing things to take home. Min: 12 Max: 20

*Instructor:* Mad Science  
*Meets:* M-F June 19-23 9 a.m.-12 noon  
*Tuition:* \$195 by May 15, \$210 after May 15

## **STUDY SKILLS**

### **17SST-1 STUDY SKILLS FOR INTERMEDIATE SCHOOL (5th and 6th grade)**

This study skills class will provide students with the opportunity to learn and develop time management, study strategies, and test taking skills. Students will acquire confidence to start the new school year fresh, prepared, and organized. Each student will also assemble a binder of materials for time management, study skills, and ways to stay organized. Max: 15

*Instructor:* Sallye Gatlin  
*Meets:* M-F June 5-9 1-3 p.m.  
*Location:* MIS/HPMS, room A201  
*Tuition:* \$180 by May 15, \$195 after May 15

## **TECHNOLOGY**

### **17ST-1 KEYBOARDING FOR INTERMEDIATE SCHOOL (5th and 6th grade)**

Keyboarding skills for beginners will teach students how to place their fingers, good typing ergonomics, and how to type more effectively. Early keyboarding skills are extremely useful in building a strong foundation and learning the basics of keyboarding. Study the principles for good typing and continue with practical lessons, while having fun along the way! Max: 15

*Instructor:* Sallye Gatlin  
*Meets:* M-F June 5-9 9-11 a.m.  
*Location:* MIS/HPMS, room A201  
*Tuition:* \$180 by May 15, \$195 after May 15

### **17ST-2 GAME DESIGN I (2nd grade and up)**

Do you want to create your own video game? With Multimedia Fusion 2, you will learn to design and create a platform-style game. Design games to collect items, avoid obstacles, and move to advanced levels. Once designing is done, shift to programming. Coding in MMF2 works in cause and effect programming – you can decide how your character's actions affect game results. Take home the games that you made to play with friends and family! Max: 12

*Instructor:* High Tech Kids  
*Meets:* M-F June 5-9 9 a.m.-12 noon  
*Tuition:* \$200 by May 15, \$215 after May 15

### **17ST-3 MINECRAFT (2nd grade and up)**

Think Minecraft is just a video game? Think again. This unique game teaches more than just computer skills. It is also about using both sides of students' brains in this popular, pixelated, cubed world with dangers and obstacles to overcome. Lending itself to STEM explorations, this class is perfect for beginners or those with a basic foundation who want to learn more about what Minecraft offers. Touching on elements such as architecture, Redstone, and mapping, this class prepares students to take more advanced classes. Max: 12

*Instructor:* High Tech Kids  
*Meets:* M-F June 5-9 1-4 p.m.  
*Tuition:* \$200 by May 15, \$215 after May 15

### **17ST-4 SCI-TECH: IT'S MESSY, IT'S FUN! (K and 1st grade)**

Join us in conducting daily hands-on experiments that foster a love for science. As they experiment, students will document their findings using digital journaling techniques that are iPad and computer based, including PowerPoint, Google Drawings, Drawing Pad, and Book Creator. Max: 12

*Instructor:* High Tech Kids  
*Meets:* M-F June 5-9 1-4 p.m.  
*Tuition:* \$200 by May 15, \$215 after May 15

### **17ST-5 BEGINNING GAME DESIGN AND PROGRAMMING (K-2nd grade)**

In this introduction to coding and game building, students will utilize Tynker, a user friendly curriculum and platform that teaches kids programming through games, puzzles, tutorials, and projects. Students can make almost anything with the power of Tynker and its physics engine, expansive media gallery, and art studio. Command robots, make web apps, build custom games, the possibilities are endless! Max: 12

*Instructor:* High Tech Kids  
*Meets:* M-F June 12-16 9 a.m.-12 noon  
*Tuition:* \$200 by May 15, \$215 after May 15

### **17ST-6 ADVANCED GAME DESIGN (2nd grade and up)**

Build on what you learned in Game Design I or your other game design experience. You will code, using alternative values to determine character and enemy health, character responses, audio, music, and sound effects. Your games will be more complicated and tougher to master. Challenge your friends! Max: 12

*Instructor:* High Tech Kids  
*Meets:* M-F June 12-16 1-4 p.m.  
*Tuition:* \$200 by May 15, \$215 after May 15

### **17ST-7 EV3 BATTLE-BOTS (2nd grade and up)**

Use LEGO new generation EV3 sets to prepare for battle! Form teams, create fighting robots, and challenge others to face off for the title of top "Bot"! Get ready to rumble and may the best robot win! Work in groups to design and create robots with the engineering guidance of an instructor. Explore battle tactics and design theories. Will your robot survive the battle? Max: 16

*Instructor:* High Tech Kids  
*Meets:* M-F June 19-23 9 a.m.-12 noon  
*Tuition:* \$200 by May 15, \$215 after May 15

### **17ST-8 WEEBLY WEB DESIGN (2nd grade and up)**

Learn to create highly stylized and complex websites using Weebly for site creation and Pixlr for image editing. Weebly's user friendly interface allows you to move quickly and begin to use Pixlr, which allows you to edit images with text and warp tools and publish your creative thoughts clearly and easily. Digital citizenship will also be introduced during this camp. Max: 12

*Instructor:* High Tech Kids  
*Meets:* M-F June 19-23 1-4 p.m.  
*Tuition:* \$200 by May 15, \$215 after May 15

**17ST-9 CODING WITH BEEBOTS (K and 1st grade)**

Coding skills enhance students' critical thinking, directionality, and problem solving skills! Children will learn to use a variety of interactive coding tools developmentally appropriate for beginners. Focusing on creating solid sequencing skills, they will use coding board games to help them grasp commands, directions, and angles. These concepts will be translated to the Beebot, Code-a-pillar, and Osmo coding toys in learning centers. Students will be engaged with hands-on lessons and movement between centers. Max: 12

*Instructor:* High Tech Kids  
*Meets:* M-F June 19-23 1-4 p.m.  
*Tuition:* \$200 by May 15, \$215 after May 15

## COMMUNITY EDUCATION CLASS REGISTRATION

**MAIL TO:** Academy for Lifelong Learning, HPISD Administration Annex,  
6915 Westchester Dr., Dallas 75205

Send registration form with check payable to ALL, or Master Card or Visa information and signature

**PHONE :** 214-780-3380

MasterCard and VISA accepted

**FAX:** 214-780-3381

Fax registration form with MasterCard or VISA information and signature

**IN PERSON:** Come to the ALL office in the HPISD Administration Annex  
at 6915 Westchester Dr.

Office hours are Monday through Friday, 8 a.m. to 4 p.m.

## SUMMER 2017 CLASS POLICIES

**GENERAL POLICIES:** Students MUST register and pay for classes through the ALL office BEFORE attending a class. *Please note the dates and times of your classes – we do not send confirmation of your registration.* Courses with insufficient enrollment will be cancelled two working days before the class date, and tuition will be refunded. ALL reserves the right to substitute instructors, change course location, limit enrollment, or cancel classes. Classes start promptly, please arrive on time, and sign in students with an instructor. Parents MUST pick up children and sign them out promptly after classes. The Academy for Lifelong Learning staff and instructors are not responsible for supervising children before or after classes.

**WAIT LIST PROCEDURES:** If a class is full, your name will be placed on a wait list in the order received. You will be contacted if a space becomes available. Once contacted, payment for registration must be received by the end of the next workday.

**SUMMER CANCELLATION AND REFUND POLICY:** *Students may cancel an enrollment without penalty no later than seven working days before the course's first meeting. After that date, no refund or credit will be given.* After a course begins, no refund or credit is permitted. Refunds or credits will not be given to students who are absent from all or part of a class, or for classes canceled due to inclement weather or other emergency situations. There will be no make-up classes for cancellations due to inclement weather or other emergency situations.

## EXTENDED SCHOOL DAY PROGRAM INFORMATION

The Academy for Lifelong Learning's Extended School Day Program provides an extended, informal school experience during the school year from 3:00-6:00 p.m. on regular school days for families needing supervised care for children after normal school hours. ESD is for students in Kindergarten through fourth grades at all HPISD elementary schools, and fifth through eighth grades at MIS and HPMS. Enrollment is on a first-come, first-served basis. The program is staffed by HPISD teachers and employees. Homework time and indoor and outdoor play are provided. Nutritious snacks are served daily. *Please call the Academy for Lifelong Learning office at 214-780-3380 by June 23 or after August 14 for availability, registration, and tuition information for the 2017-2018 school year.*

# SUMMER 2017 COMMUNITY EDUCATION CLASSES – REGISTRATION FORM
