

How Raising Children Offers Parents the Opportunity to Be the Primary Shapers of Their Children's Moral Lives...and In the Process, Clarify Their Own

HPISD's Parent Education Committee is pleased to welcome, via Skype, Richard Weissbourd, child and family psychologist on the faculty of Harvard's Kennedy School of Government and Education, to discuss the daily challenges of parenting that we all face. As a parent of three children and former volunteer basketball coach, Weissbourd seeks to offer an encouraging road map to all that parents are doing right and where they might want to consider correcting course. Highland Park High School's Principal, Walter Kelly, will introduce this respected researcher and author. Please Join Us!
