

Adding money to your child's lunch account is **EASY!**

Log in to Skyward Family Access

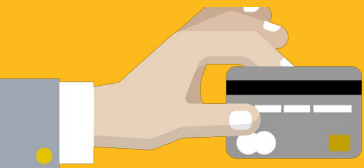

Log in to Skyward (through a computer, not the mobile app), click “Food Service” and then click “Make A Payment.” You will be sent to eFunds For Schools, where you can log in with your Skyward user name and password (use lowercase characters only).

Add Money to the Account

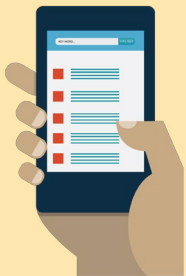

Add money to your child's account through eFunds For Schools. The average daily lunch price is between \$4-\$6.

Pay with ACH for Less Fees

Each time you deposit money, a transaction fee will be assessed. If you pay with a direct deposit from your bank, the total fee will be \$1. A sliding fee scale will be used for credit card payments in \$5 increments for every \$150 spent. [Click here for more information.](#)

Enable Account Balance Notifications

You can receive alerts when your child's lunch account balance is running low. Manage the alerts through your E-Funds For Schools account, located under the “Low Meal Balance Notification” tab.

Have Questions?
